

# SIGGRAPH 2025

## Senses Meet VR

[READ](#)

Step into a multi-sensory VR horror experience that goes beyond visuals — where eerie sounds, unsettling textures, and spine-chilling sensations blur the line between reality and nightmare. With spatial audio and real-world haptic effects, you won't just see the horror — you'll feel it in this deep dive of a SIGGRAPH 2024 Posters contribution.

### Deadline Extended to 1 May: ACM SIGGRAPH Underrepresented Communities Travel Grant

ACM SIGGRAPH offers support to new and existing members of the SIGGRAPH community whose potential career impact is recognized as extraordinary and who can demonstrate financial need to attend SIGGRAPH 2025. We most importantly intend to simultaneously highlight SIGGRAPH's abiding recognition of the value that diversity from underrepresented groups brings to the CG/IT domains and its importance to their vibrancy and future positive impact on our communities and society. [Learn more](#) about the requirements online.

The deadline has been extended to 1 May 2025. [Submit your application today.](#)

### Empowering SIGGRAPH Student Chapters

The SIGGRAPH Student Chapter at Middle Tennessee State University (MTSU) has seen significant growth since its inception, driven by the commitment of its faculty advisors and student leaders. Faculty sponsor Kevin McNulty, who also serves as the ACM SIGGRAPH student chapter liaison, shared his perspectives on his involvement with the chapter and its broader community. [Read more](#) about how this student-led organization has grown to be a bigger part of the community.
